1983 Record 2 — Wins 7 — Losses

Coach Dave Taylor was back at the helm of the Big Reds for 1983. It was not the easiest year for our gridiran heroes. But it was easy to see steady improvement as the season progressed. Outstanding shutouts were turned in against Grand Haven and Mona Shores and fine efforts in extremely close losing battles against East Kentwood and Flint Northern. The Big Reds put all they had into an overtime loss against highly touted Muskegon Catholic.

Big Reds fans have great expectations for the 1984 season. The coaches feel that 1983 was a year for developing and "putting it all together." Next year watch us fly!

***Record** — 10 Wins — 10 Losses*

The 1984 Big Red basketball team played under the guidance of Coach Dalton "Butch" Cantrell. It was Coach Cantrell's first year at Muskegon but far from his first year at the varsity level. He has skilfully led both Spring Lake High School and Muskegon Community College's basketball teams.

The Big Reds gave plenty to cheer about this year and ended the season with fans hungry for more. Our cagers showed flashes of power and brilliance, such as the 105-69 blow-out over Benton Harbor.

With many Big Reds growing in size, speed, and skill, 1985 looks like it will be a very exciting year for our basketball fortunes.

Little Reds Basketball Team has experienced growth and good sportsmanship under rookie coach Jim Kanaar. With their 10 and 10 record they came out even. Jim Kanaar was Quoted to say, "This team was a bunch of nice kids which were nice to work with."

The mens tennis team under the guidance of rookie coach Mr. Ed Polakis got off to a hot start with a 7-0 win over Western Michigan Christian. But like the Spring weather, things turned cold for Big Reds.

Coach Polakis felt that it was a good season for growth and development and looks forward to a marked improvement for the 1985 season. He was quoted saying, "The team worked hard."

State Finals			

The 1984 track team had a very successful season from the won-loss to the individual records that were set. With several top runners returning, the outlook for 1985 should be good. This year the team had many outstanding achievements such as first place in the Wyoming Park Relays, first place in the Greater Muskegon City meet, second place at the Regional meet, and second in the LMAC. Individuals like Jonnie Pittman faired well winning the 100 and 200 meter dash at City plus All Star meets. He set a new school record plus an all time city record in 100 meters, time 10.6 seconds. Robert Willis was winner at the 400 meter dash at Regional, LMAC, and All Star meets, setting a new school record of 49.7 seconds. Felder Cowart was the MVP winner, winning High Hurdles at City, Regional, LMAC, and All Star meets. He also qualified for state in four events, high hurdles, Low Hurdles, Long jump, and 400 relay. In Post Season tournament play Muskegon placed second in the regional meet with 71 pts. They had qualified seven people for the state meet. The regional championship were won under the hand of Scott Wade in shot put, and Felder Cowart in the 110 High Hurdles. Closing off at the state meet the 400 Relay team tied for eighth place and scored ½ pt. The coaches were Ron Murphy and Steve Hoffman.

Coach's Comments: "It is really fun to coach when you have players that enjoy baseball as much as the Big Red's did this year. Many times we played well and lost the close games. We lost five in the conference and four of them were by one run."

GOOD SPORTS

SENIOR REFLECTIONS

Reflections
in a pool of rainwater
freshly staring at you.

Into the puddle
you toss a stone
Ring-waves
stir the water
into a murky, muddy madness.
The image blurs,
and you hop away.

Back again you come
to the street lake.

Bending down
you study the backward reflection
and slowly
A slight smile and a realization
spreads across your face.

And you exclaim
to no one but yourself
"That's me!"

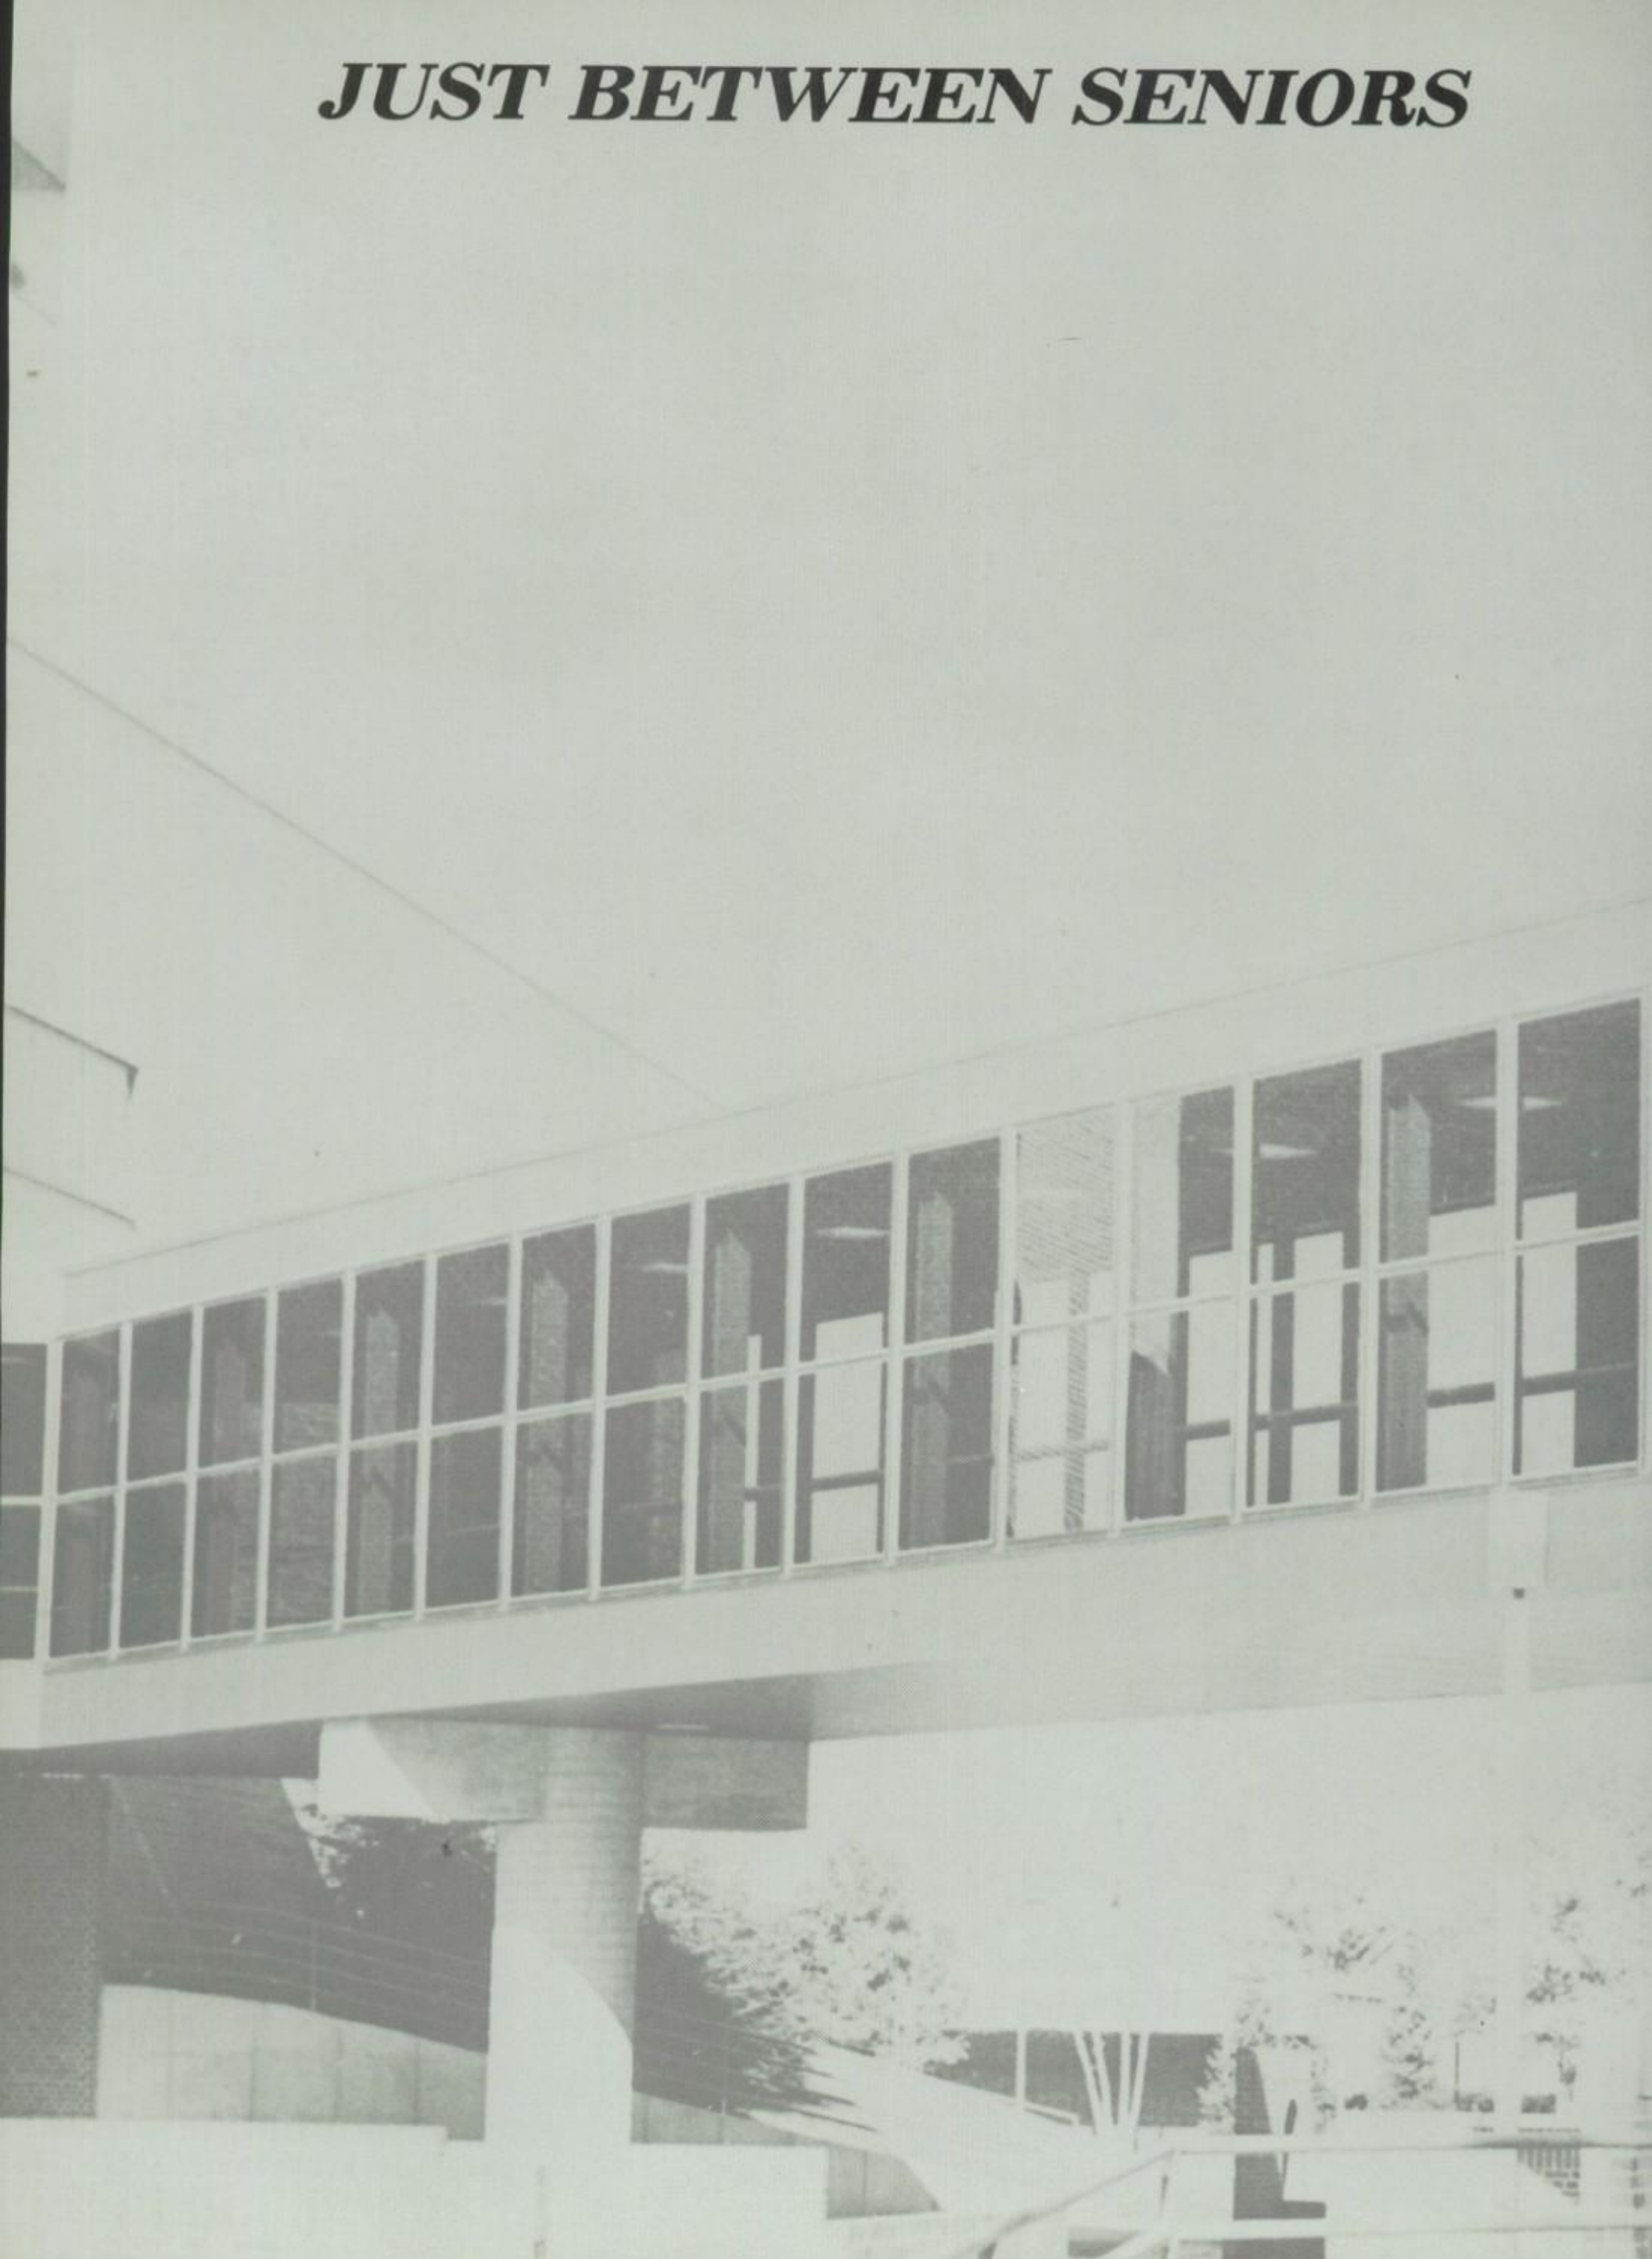
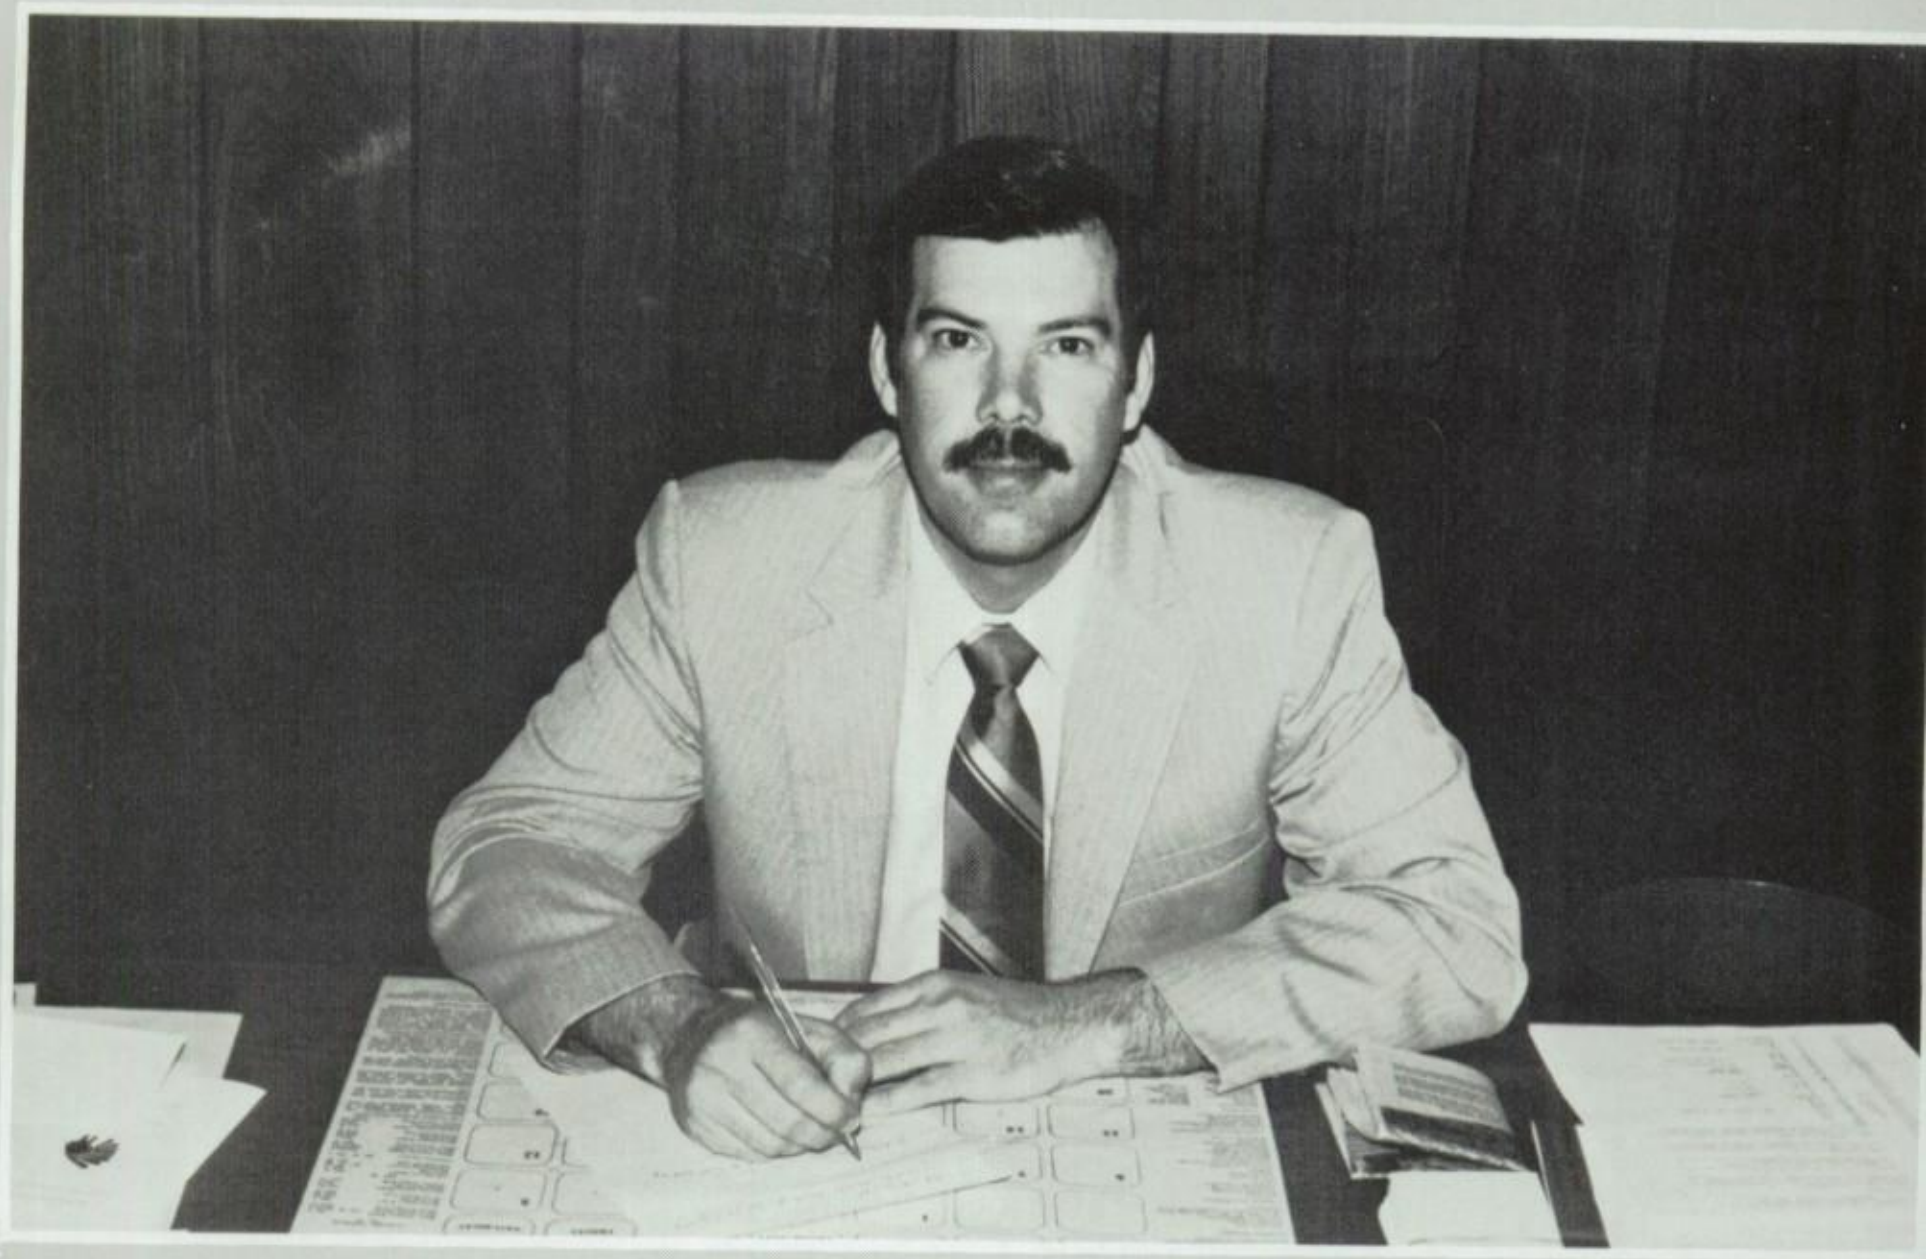
JUST BETWEEN SENIORS



AUTOGRAPHS



To the Class of 1984:

Congratulations on your attainment of one of life's most important goals. This time of high school graduation is one you will be able to look back upon with fond memories and a great feeling of accomplishment.

While it is true that this is the end of one of life's endeavors, it is also the beginning of a new one. you should always keep in mind that education never ends, and that it is truly a journey through life and not a destination. Those individuals who continue to educate themselves, whether it be in a formal school setting, in the work place, or at home, continue to grow through life and become happier and more productive citizens.

Again, congratulations on your graduation and my best wishes for a happy and productive future.
